

Instructor

Corky McReynolds, PhD is professor of resource management and Director of **Treehaven**. Dr. McReynolds' research, teaching, and consulting focuses on leadership and enhancing organizational change. He has 36 years of experience as a nature center administrator and is involved in the facilitation of state and national leadership and strategic planning projects.

Treehaven

a natural resource & education center owned & operated by the University of Wisconsin Stevens Point.

Treehaven's multipurpose, year-round design, flexible facilities and location provides a beautiful and unique setting.

Treehaven rests on 1,400 acres of northern Great Lakes forest near Tomahawk, Wisconsin. State of the art audio visual equipment, meeting spaces, restaurant quality food, and comfortable accommodations complement your experience. Trails that can be enjoyed throughout the year lead to natural settings where a diversity of plants and wildlife await your exploration. Come visit **Treehaven**, recently awarded Travel Green Certification. We will gladly show you around and introduce you to **Treehaven's** world of possibilities.

Group Process & Facilitation

April 27-29, 2012

Group Process & Facilitation
April 27-29, 2012

The Group Process and Facilitation course will concentrate on effective techniques for group creative brainstorming, decision making and prioritization of ideas. Adapted nominal group, consensus building skills, concept mapping and digraphs are some of the specific techniques that participants will learn, practice and apply to their group or team situation.

This course is designed to enhance the skills and attributes of today's leader in education, natural resources, non-profits and small business while preparing for tomorrow's increasing challenges. Group Process and Facilitation Skills is grounded in effective principles with emphasis on practical applications.

Course runs 7:00 p.m. Friday through
Sunday lunch
