

# 2012 Wolf Ecology Workshops

January 14-15, OR February 25-26

Experience shared learning with other wolf enthusiasts while tracking, studying in the classroom and field, and learning from professionals and members of the Timber Wolf Information Network in **Treehaven's** Northwoods setting. You will experience actual tracking and a night time howling survey.

Timber Wolf Information Network (TWIN) is a non-profit organization that was founded in November of 1989. It is comprised of volunteers from throughout the United States, from all walks of life.

The primary goal of this organization is education of the timber wolf. **Treehaven** has contracted with T.W.I.N for several years worth of "Wolf Ecology" workshops. This outstanding tradition continues with two workshop dates in the winter of 2012. T.W.I.N's proceeds go directly to supporting wolf research and continuing wolf education.

Optional lodging is available this year for Friday evening at a special rate of \$49 for those interested in arriving early. Breakfast is included in the above price. Please arrange arrival time with Treehaven.

Please enclose workshop fee with registration and mail to:

**Treehaven**  
**W2540 Pickerel Creek Rd**  
**Tomahawk, WI 54487**

Upon receipt of your registration and workshop payment you will receive a confirmation letter.

## Registrations due:

**January 6th for the January 14th workshop  
and  
February 17th for the February 25th workshop**

Cancellations less than 14 days prior to event subject to \$60 administrative fee.

No refunds given 7 days prior to event.
